Happy New Year Parents and Family of PTA.
InshAllah your year is filled with lots of joy and happiness.

LANGUAGE ARTS

In Language arts this month I will focus on students being able to recognize and spell the most common words they will start using on a day to day basis. Their ability to read and write will greatly improve Inshallah.

SOCIAL STUDIES

In social studies students will study the United States map and the land and water areas.

MATH

In math students will begin Chapter 6: Tables, graphs, and fractions. Students will collect information about objects and events in their environment. Students will sort and classify objects.

SCIENCE

In science students will observe the five senses. We will also take a look at the moon, and its different phases.

ISLAMIC STUDIES

In Islamic studies students will learn what their duties as a Muslim are. We have five duties to Allah. They are Shahdah, prayer, fast, zakat, and hajj.
