

PRE K NEWS LETTER

SEPTEMBER 2010

Dear Parents, Assalamu Alaikum,

I am really excited for starting this school year with all your wonderful children. Every month I will be emailing you my Monthly news letter. Please make a note of all the dates and events that may happen in that month so you can better prepare yourself and your children.

Here's what I have planned for this month

This year we are doing Zoo Phonics program in Pre k class, it's a very good program which enables children how to learn sounds of each letter and blend them to read.

This month we will be learning sounds of letter "a to e".

According to the program I will be teaching children lower case letters first as they are easier to write.

The title of stories we will be reading are

1. Caps for Sale
2. A is for Africa.
3. Johnny Appleseed.
4. One Gorilla.
5. Anno's Counting Book.

ARABIC:

We will be learning letters م ب ل ر

Unit 1 text book and work book

Materials to use:

Work sheet, coloring sheet, work book, and cards

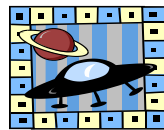

In Math this year we have wonderful workbooks of Leap Frog which teaches numbers in a very easy manner. We will be learning numbers “1 to 4” this month and children will be playing many math games to really understand these numbers and their value.

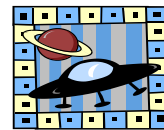

ISLAMIC STUDIES

We will start learning about ALLAH (swt) and Allah the Creator. Insha Allah children will be doing art projects on this topic and will learn about Allah by simple oral questions.
QURAN: Children will learn SURAH Al Fatiha.

SCIENCE

Children will learn about Farm Animals and their babies. They will explore what they eat and how useful they are. In this theme we will be learning the poem of “OLD MC DONALD had a farm”
